

We at Ouzo Bay would like to welcome everyone to our humble establishment. We have diligently toiled for a number of years to develop this compilation of wine from all across the globe. We believe life is a celebration and without wine there is no proper celebration.

The primary focus of this list is the Mediterranean - predominantly Greece and the surrounding Islands. We have also included wines that we believe pair best with our cuisine. Contained in this anthology there are wine elements for the most experienced wine aficionado all the way to those that are just beginning their journey into the world of wine.

We will continue to develop and advance our own knowledge of wine in order to enhance the experience here at Ouzo Bay. We encourage any and all questions and feedback as we wish to be your guides throughout this evening and for years to come.

STHN UGEIA SAS!
